

HOCKEY ACADEMY APPLICATION

HOCKEY ACADEMY ADMISSION REQUIREMENTS

Students and families must apply to the program. The following will serve as selection criteria:

1. To apply students must be in grades 7 – 11 (applying for following school year grades 9-12, grade 8 at NSMS)
2. Students must have the ability to balance a full-time educational program with a high- performance training program.
3. Students must have demonstrated responsible behaviour and positive attitude.
4. French Immersion Students are encouraged to take the Academy in Semester 1 and French Immersion PE semester 2. If you wish to participate in the Academy for the entire year, then please contact Mr. Sutton at bsutton@saanichschools.ca or Mr. Braun at rbraun@saanichschools.ca for discussion of options.
5. Students must declare if they are taking the Academy for 1 semester (FI and academic reasons only) on the application, otherwise the family will be responsible for paying the full \$1700 regardless of their decision to not continue second semester.
6. Stelly's students will participate with Parkland students in PE at Parkland 2 days per week (the days they are not on ice) in order to earn the required PE credits for the Academy. A district bus will transport the Stelly's students back to school in time for their 2nd block.

HOCKEY ACADEMY APPLICATION

PARKLAND HOCKEY ACADEMY STUDENT EXPECTATIONS

- Parkland Hockey Academy is an elite, developmental hockey program is open to hockey players of all levels. Accordingly, student selection is of great importance.
- Academy students are not only representatives of their sport but are considered ambassadors of Parkland Secondary and the Parkland Hockey Academy. In all three roles, they are expected to display exemplary conduct, in and away from school, as well as on and off the ice. Their attitudes and conduct should reflect the privileged position that they occupy.
- Students enrolled in the Academy are expected to attend school and the Academy unless coaches/teachers are notified of illness/absence.
- Students will be expected to attain and maintain high academic standing (to the best of their ability). But attention to academics must be balanced so that time in the academy is not lost.
- Behaviour is paramount (at the rink and at school). Students are expected to act in safe and respectful ways at all times. A Code of Conduct will be distributed to each member of the academy at the beginning of the year and the students and their parents/guardians are required to sign the Code of Conduct and adhere to it.
- Students in the Academy should value the opportunity to be part of this unique program and strive to maximize both their academic and hockey potential.

2023 / 2024

HOCKEY ACADEMY APPLICATION

Goals of the Parkland Hockey Academy:

- To support athletic programs as part of the daily operation of a school curriculum.
- To promote superior athletic habits while teaching principles of being an athlete and student.
- Increase and maintain student enjoyment of education to maximize post-secondary education opportunities.
- To develop individual skill and knowledge about hockey.
- To develop health, fitness and nutritional awareness.

Classes:

The Academy timetable will be dovetailed with Parkland's daily rotation. Students will utilize their PE and elective blocks to alternate between on-ice, dry land and classroom sessions (schedule tbd). Off-ice sessions and activities will include PE Activities, dry land/strength training, goal setting, nutrition etc. For French Immersion Students attending Stelly's they will partake in the Academy for Semester 1 and then take their French Immersion PE in semester 2. If the student wishes to partake in the academy the entire year, this must be arranged and supported by Stelly's and the French Immersion PE must be taken in a separate block.

Facilities

On Ice activities will be held at the Panorama Recreation Center. Transportation will be provided through Saanich School District Bus Service. The Off- Ice classes and activities will be at Parkland School. Depending on ice times, parents will be required to bring their student to the arena in the morning (approximately between 7:00 – 7:15 am).

Assessment and Evaluation

Each student's hockey and fitness level will be evaluated at the beginning of the program which will identify the student's strengths and weaknesses. From this evaluation we will develop an individualized learning plan for each student. Each student will have their learning plan identified to them.

Students are evaluated each term in the areas of on-ice, off-ice and work in the classroom. A report will be included in the student's report card each term.

Storage of Gear

We have a steel storage container for the student's equipment and gear so that it may be stored at the rink. It is located at the back of the rink in between arena A and B.
