Off-ice sessions and activities will include PE Activities, dryland/strength training, goal orientation, sports psychology, nutrition etc.

Facilities

On Ice activities will be held at the Panorama Recreation Center. Transportation will be conducted through Saanich School District Bus Service. The Off- Ice classes and activities will be at Parkland School.

Depending on ice times, parents will be required to bring their students to the arena in the morning (approximately between 7:00 – 7:15 am).

Assessment and Evaluation

Each student's skill and fitness level will be evaluated at the beginning of the program which will identify their strengths and challenges. From this evaluation we will develop individualized learning plan for each student.

Students will be evaluated each term in the areas of on-ice, off-ice and classroom work. Results will be included in report cards each term.

Storage of Gear

We have a steel storage container for the student's equipment and gear so that it may be stored at the rink. It is located at the back of the rink in between arena A and B.
